Details per sections m(iii) and n(iii):

The information provided herein with respect to parking and / or locker assignment is, to the best of the strata corporation's knowledge, accurate. It is what we believe the allocations to be based upon the records provided to and by the strata corporation. It is possible that individual owners may have undertaken other arrangements (i.e. re-assigning an existing parking lease) without properly documenting the process at the Land Title Office or advising the strata corporation. Such an arrangement would have an impact on the accuracy of this information. Accordingly, it is suggested that the Purchaser confirm with the Seller or Seller's Agent that the information related to parking and / or locker assignments included herein is accurate and matches the Seller's understanding and records as representing the proper allocation(s) for the related strata lot.
